Kalindindi Sree (BBA)
★★★★★
My journey from BML Munjal University to becoming an Inventory Planner at Sysco has been transformative. At BML, I excelled academically (9.27/10) and as a student leader. Post-graduation, I pursued a Master's at Cranfield University, specialising in sustainable supply chains. Today, I apply my skills in inventory management and demand forecasting, driving efficiency and innovation in the logistics industry.

Ishika Rastogi (BBA)
★★★★★
I graduated from BML Munjal University, where I honed my leadership skills as President of the BML Management Association and Place Corn Ambassador. These roles, alongside experiences in India and Singapore, helped me build a strong foundation for my current position as Director at Delmar International. I'm proud to inspire others with my story of perseverance and success.
