

Why join BMU family?

BMU's aim is to nurture ethical leaders who are skilled, knowledgeable and have the life skills required to succeed in life. BMU has a unique approach to induct new faculty for their seamless integration into the university academics, research and administrative systems. They are expected to understand the ethos and culture of the University. BMU strongly believes in experiential learning along with a focus on interdisciplinary applied research.

Depending upon the nature of appointment, a bouquet of resources is made available to new members of the BMU family.

Campus:

- BMU campus provides a serene and pious environment. It is centrally located in the heart of the country and is well-connected by road, rail and air network. The campus is located approximately 50 kms from Delhi (IG International Airport) and 30 Kms from Gurugram, on the main Delhi-Jaipur Highway.
- Virtual tour of the campus is available @ <https://www.bml.edu.in/campus-life/virtual-tour/>
- Excellent sports and recreational facilities.
- Wide range of cultural initiatives through 21 students/faculty clubs.
- A 2000 student CBSE affiliated school co-exists with BMU on its campus.
