

WHAT MAKES **CREDEC** OUR PREFERRED EDUCATION LOAN PARTNER?

Credenc is a unique end-to-end education lending fintech platform. It offers loans covering K-12 school fee, online upskilling courses, higher education as well as study abroad courses.

Recently, **Capital India**, a BSE listed Non-Banking Financial Company added Credenc under its wide portfolio of businesses. Credenc finances students based on their merit and future employability, rather than the means available to their families. The company's fundamental belief is to ensure quality education is affordable to all.
