

**BML MUNJAL
UNIVERSITY™**

A HERO GROUP INITIATIVE

BSc Computer Science

**Three year full-time undergraduate
programme at BML Munjal University**

BSc Computer Science programme of BMU has been designed to develop strong analytical, programming, and problem-solving skills of the students so that they can think critically and provide computational solutions to real-world problems. The innovative and futuristic curriculum provides specialisations to build core technical competency at the same time giving emphasis on interdisciplinary learning opportunities, holistic development and practical hands-on learning through industry internships and projects. The programme builds a strong base for the entry-level jobs in Information Technology and prepares students for higher studies in Computer Science and related application areas.

BSc Computer Science Specialisations

- Data Science and Artificial Intelligence
- Cyber Security
- Big Data Analytics

Following are the options for pursuing an interdisciplinary minor -

- Financial Technology
- Business Analytics
- Digital Marketing

Key Programme Highlights

- Core Specialisations
- Industry Collaborations
- Innovative Pedagogy
- Qualified & Experienced Faculty
- Skill Development
- Experiential Learning
- Capacity Building & Entrepreneurship
- Futuristic Flexible Curriculum
- Multiple exit options
- State-of-the-art Infrastructure

Academic Approach

Our BSc Computer Science programme is designed on the principle of Interdisciplinary Immersive Experiential Learning.

Flexible Curriculum

Practice School (Mandatory Internships)

Skills & Perspective Courses

Industry Project

Eligibility

BMU allows for alternate pathways to Admission, enabling students to enter a chosen discipline through more than one route. We require -

- Test scores of any of these examinations *BMU-SAT | SAT | JEE (Main)* are accepted
- Minimum aggregate score of 50% and Mathematics as a compulsory subject in Class 12 Science stream from boards affiliated to Council of Boards of School Education (COBSE) or recognised by Association of Indian Universities (AIU)

Scholarship

BML Munjal University follows Scholarship and Financial Grants policies designed to support the education of the meritorious, and equally, those who are most needy. Our policies foster a culture of diversity and inclusion that acknowledges the unique strengths of different individuals. The Scholarship & Financial Grants Policy covers the following categories of grants:

Merit Scholarships, within which BMU provides two categories of Scholarships:

- Dean's Scholarships to recognize exceptional academic merit.
- Programme Scholarships to encourage students who have diverse strengths to aspire to an education of a high standard.

Admissions

Our admission process is holistic, and short-listed candidates will be invited to appear for a Personal Interaction (PI).

Early Admissions Open

- Candidates can apply even if their class 12 results are awaited.
- Students are to submit their application with Class 10 scores and have to include Class 12 results once announced.
- Provisional Offer is extended to selected candidates, and the final offer is subject to verification of class 12 results by BMU.
