

Call for Admission Ph.D. Programme (Summer 2025)

BML Munjal University (BMU) invites applications for admission to Ph.D. programmes in the **School of Engineering and Technology (SoET)**, **School of Management (SoM)**, and **School of Law (SoL)**.

Type of Ph.D. Candidates:

Full-time, Part-time, Industry sponsored, Working professionals, Retired professionals, and Foreign candidates.

Eligibility:

- 4 years Bachelor's degree with a minimum of 75% marks in aggregate or its equivalent grade on a point scale.
OR
- 1-year/2-semester Master's degree after a 4-years/8-semesters Bachelor's degree or a 2-years/4-semesters Master's degree programme after a 3-year bachelor's degree programme or qualifications declared equivalent to the Master's degree by the corresponding statutory regulatory body, with at least 55% marks in aggregate or its equivalent grade in a point scale.
OR
- An equivalent qualification from a foreign educational institution.

Note:

1. Candidates who are in their final semester (4 years Bachelor's/ Master's/ Equivalent qualification) can also apply provisionally subject to the submission of their degree with the aforementioned percentage.
2. A relaxation of 5% of marks or equivalent grades for some specific categories is applicable as per UGC guidelines.

Note:

In this cycle, a maximum of 20 Ph.D. seats will be funded by the University. The university may not fill all the seats if suitable candidates are not found. The committee's decision in this regard is final and binding.

About BML Munjal University

Founded in 2014 by the promoters of the Hero Group, BMU offers a sprawling, green campus in the suburbs of Delhi. The University seeks to transform higher education in India by creating a world-class and innovative teaching, learning, and research environment. Currently, it accommodates four schools: Engineering & Technology, Management, Law, and Liberal Studies. With strong industry sponsored research laboratories, state of the art incubation centre, excellent research infrastructure, collaboration with industries & research organisations within and outside India and highly qualified faculty, the university aspires to transform the society by pursuing research-led, innovative, and practical solutions.
