### 15. Facility of Day Scholars

Students with permanent residence in the Delhi NCR or nearby areas can attend the University as a Day Scholar. Day Scholars can avail limited transport facilities that ply from Gurugram, Delhi, or Faridabad as per routes and charges declared by the University from time to time.

The facility can be availed by the student for a period of 10 months in the academic year and the amount will be payable in advance (in the beginning of the semester). Vehicle parking is not permitted on campus. Limited buses run from campus for hostelers to visit Gurgaon on weekends, on payment basis.

### 16. Commencement of Term

The date of commencement of session will be notified in the University website.

**Note:** If a student does not have sufficient marks in the qualifying examination (10+2) as a whole or in a specific course, but he/she has the following:

- **Foreign Language Subject or Certificate:** Proficiency in a foreign language such as French, Spanish, Japanese, etc.

- **Sports and Cultural Achievements:** Outstanding performance in sports and cultural activities at the district, state, national, or international level.
- **Award in Social Services:** Recognition or awards from the government or reputable organizations for contributions in the social services field.
- **Extracurricular Achievements:** Significant accomplishments in extracurricular activities such as debate, theatre, music, or art, recognized at regional, national or international levels.
- **Leadership Roles:** Holding Prominent leadership positions in student councils, clubs, or community organizations demonstrate exceptional leadership skills.
- **Entrepreneurial Ventures:** Successfully running a startup or entrepreneurial venture with measurable impact or recognition from reputable sources.
- **Research Contributions:** Published research papers or involvement in significant research projects, especially those recognized at the national or international level.

These alternative qualifications and achievements may be considered for determining the student's eligibility for admission to specific course or programs, despite not meeting the standard academic requirements. In contrast, higher qualifications (such as degree beyond 10+2) might be considered for determining eligibility, but they will not be taken in account for scholarship considerations.

In essence, this allows for a holistic review of a student's application, where non-academic achievements can compensate for academic shortcomings in the eligibility criteria. However, this flexibility does not extend to the evaluation of scholarships, which remain based on academic merit.

These students shall be required to undergo an interview process in front of the Committee constituted by the Competent Authority.

The cases will be recommended by the Committee to ensure fair and consistent evaluation.

**BMU reserves its right to change or revise its policies and rules thereof without any notice, and no claim shall lie against BMU for any such changes made. The decision of the management and the Admission team shall be final and binding.**
